

Preparing for baby?

- Hospital bag packed
- Baby registry made
- Car seat installed
- Virtual home visit scheduled

At Family Connects, we believe that every family needs support after bringing home a baby. The needs are different in each family - from help with feeding and safe sleep to getting information about child care and parenting groups.

Schedule your Family Connects visit in the last weeks of pregnancy!

We offer a **free, virtual nurse home visit** to all families with newborns. Learn more at our website:
